ActoClean™ 109

多功能清洗剂

HMIS 2,0,0

Product: ActoClean™ 109 Multi-Duty Cleaner is a concentrated formulation designed for general purpose industrial paint shop cleaning, including paint tracking and paint overspray. It can be safely used for cleaning concrete, painted /sealed concrete, metal surfaces, tile, and ceramic. This product contains very low solids content to minimize residue.

产品: ActoClean™ 109 多功能清洗剂为浓缩型工业用综合清洗剂，可清洗油漆痕迹和过喷。可以用于水泥、油漆过的水泥、金属表面、瓷砖等，固体分含量低，残留物少。

Benefits: Multi-functional all-purpose cleaner removes the toughest paint stains. Dilutable water-based formulation provides significant cost savings. Phosphate-free, Mild pleasant odor

优点: 多功能综合清洗剂，可清洗顽固的油漆痕迹
可用水稀释，节省开支
不含磷, 温和清香的气味

Usage: Prepare mixture and apply with spray or brush. Wipe clean. A water-rinse may be necessary to remove any residue. This product can also be used in conjunction with floor scrubbing and pressure washing equipment for more aggressive dirt and overspray removal. It may also be used to safely remove light paint stains from coveralls and clothing.

用法: 按需稀释后，用喷壶或刷涂。清洗后需要擦干净。可能需要用水冲洗来去除残留物。可以与清洗机械配合使用，使用压力水更可清洗比较顽固的污垢和过喷。也可以安全地清除工作服上的油漆斑痕。
